INTERNATIONAL JOURNAL OF ECONOMICS AND SOCIETY

About International Journal of Economics and Society

International Journal of Economics and Society is a blind peer reviewed open access journal published by [International Community of Economics and Society, USA](#). The main objective of IJES is to provide an intellectual platform for the international scholars. IJES aims to promote interdisciplinary studies in social science and become the leading journal in social science in the world.

The journal is issued 6 times per year and is available to all researchers who are interested in publishing their scientific attainments. Supporting the concept of interdisciplinary we welcome submissions in different academic areas. All articles must be in English.

The journal publishes research papers in the fields of economics, international relations, law, development studies, population studies, political science, history, journalism and mass communication, corporate governance, cross-cultural studies, public administration, psychology, philosophy, sociology, religious studies, linguistics, education, management, marketing, finance, banking, accounting, human resources management, international business, hotel and tourism, entrepreneurship development, business ethics and so on.

The journal is published both in print and online versions.

IJES publishes original papers, review papers, conceptual framework, analytical and simulation models, case studies, empirical research, technical research. Special Issues devoted to important topics in social science will occasionally be published.

Open Access Policy:

This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.

Publication Ethics and Publication Malpractice

International Journal of Economics and Society is committed to upholding the highest standards of publication ethics and takes all possible measures against any publication malpractices. All authors submitting their works to the "IJES" for publication as original articles attest that the submitted works represent their authors' contributions and have not been copied or plagiarized in whole or in part from other works. The authors acknowledge that they have disclosed all and any actual or potential conflicts of interest with their work or partial benefits associated with it. In the same manner, the "IJES" is committed to objective and fair peer - review of the submitted for publication works and to prevent any actual or potential conflict of interests between the editorial and review personnel and the reviewed material.
